

# Interaction Program with Locals

## (Authentic Tea Ceremony Introductory Lesson)

We, the University of Hyogo, are offering a special program for you to interact with locals at their own homes through authentic Japanese cultural experience. In the rural area around Toyooka City, many traditional houses and lives are still alive and cherished by its inhabitants. You'll have the chance to experience authentic Japanese culture which you cannot experience in urban areas. This is a very special opportunity, back by popular demand. Join us to make wonderful memories while you are in Japan through it!
